

GIS Analyst

Eagle Information Mapping, Inc. is a leader in **Geographic Information Systems (GIS)**. Utilizing a blend of Eagle software applications, custom software development, project management, and decades of experience in GIS analysis, we provide clients worldwide with high quality, integrated solutions supporting their strategic business objectives. Eagle's focus is on the petroleum industry, with particular emphasis on pipeline, and exploration & production.

Our business is built on the foundation of quality results, responsive service, and a close working relationship with our clients.

Eagle seeks a GIS Analyst to join the Eagle team in our Houston, Texas office.

Responsibilities – In Eagle's team-oriented environment:

- Perform GIS analysis using ArcGIS® and Eagle ArcGIS-based software applications
- Compile analytical results into ArcGIS maps, written documents and tabulated reports
- Convert and load data from paper maps and digital formats (e.g. CAD drawings, spreadsheets, etc.) and other sources into industry-standard ArcSDE geodatabases using ArcGIS and Eagle tools
- Interface with Eagle staff and clients to gather data, communicate status, and disseminate results
- Work may be performed in Eagle's offices to support internal and/or client-funded projects, or directly at the client site

Requirements – The successful candidate has:

- Completed all requirements for a B.A./B.S. or higher in GIS, Geography, Geology, Engineering or related discipline with a minimum 3.5 GPA
 - GIS Certification
- Demonstrable proficiency with ArcGIS
 - Familiarity with Linear Referencing, Model Builder, Spatial Analyst, Enterprise ArcSDE, VBA and/or Python is desirable
- Strong SQL and database skills (Oracle® and/or Microsoft® SQL Server preferred)
- Demonstrable proficiency with Microsoft Office tools including: Access, Excel, Word, PowerPoint and Outlook
- Strong written and oral communication skills

Compensation – Starting range \$4,000-\$4,500/mo. plus benefits, based on qualifications

Location – Houston, Texas, USA

Contact – Please forward your résumé, transcript and *curriculum vitae* (if applicable) to:
