

GIS Developer

Eagle Information Mapping, Inc. is a leader in **Geographic Information Systems (GIS)**. Utilizing a blend of Eagle software applications, custom software development, project management, and decades of experience in GIS analysis, we provide clients worldwide with high quality, integrated solutions supporting their strategic business objectives. Eagle's focus is on the petroleum industry, with particular emphasis on pipeline, and exploration & production.

Our business is built on the foundation of quality results, responsive service, and a close working relationship with our clients.

Eagle seeks a GIS Developer to join our development team in our Houston, Texas office.

Responsibilities – In Eagle's team-oriented environment:

- Develop and maintain Eagle GIS applications and application components using Microsoft Visual Studio® (C #), ArcObjects® and Eagle class libraries
- Interface with Eagle staff and clients to develop requirements, compile design specifications, communicate status, and disseminate work products
- Work with Eagle product specialists to develop testing protocols, technical and end-user documentation and training materials
- Provide Eagle product specialists and clients with technical support to facilitate product implementation and/or help resolve software issues

Requirements – The successful candidate has:

- Completed of all requirements for a B.A./B.S. or higher degree in Computer Science or related discipline with a minimum 3.5 GPA
- Demonstrable proficiency with Microsoft Visual Studio, .NET and C #
 - Familiarity with Visual Basic 6.0
- Knowledge of object-oriented software design and development methodologies
- Strong database and SQL skills (familiarity with Oracle and/or Microsoft SQL Server is required)
- Familiarity with GIS concepts and ArcGIS
 - Knowledge of ArcObjects, Enterprise ArcSDE, Linear Referencing, Model Builder, and Spatial Analyst is desirable
- Strong written and oral communication skills
- GIS Certification is desirable

Compensation – Starting range \$4,400-\$5,000/mo. plus benefits, based on qualifications

Location – Houston, Texas, USA
